

NMIMS - SPPSPTM PLACEMENT REPORT 2016-17

SVKM's NMIMS SPPSPTM witnessed a successful placement season 2016 -17 as in the past. The integrated programs of Pharmacy with Management degrees at the school continued to gain more and more popularity in the Pharmaceutical and Healthcare industry.

The M.Pharm + MBA (Pharma Tech & Healthcare Management) batch was recruited by some of the best companies in the Healthcare Industry in variety of profiles. The pioneering concept of our B.Pharm + MBA (Pharma Tech) course gained further traction and continued to be in demand by recruiters for Sales, Marketing and Management Trainee profiles.

Top Pharma heavyweights such as GlaxoSmithKline, Sun Pharma, Novo Nordisk, Alkem and many other Indian and MNCs participated in the placement season and offered coveted profiles in Sales & Marketing, Project Management & Operations.

Summer Internships are an integral aspect of the pedagogy at NMIMS, offering students an opportunity to collaborate with the corporate world and put their skills and acquired learnings to practice. Companies perceive Summer Internships as an important measure to assess the skill sets of students and offer them PPOs/PPIs. It also helps interns get fresh industry perspective and work with corporate leaders. Students were placed with top healthcare companies for Management Internship Programme.
