The journey of 5 years at SPPSPTM has been enriching and full of learning experiences. SPPSPTM has provided me numerous opportunities which have helped my personality and grow into better and responsible individual.

Ketan Chaudhari
GlaxoSmithKline

There are few things that stay with you throughout your life, and for me that clearly remains my teachers and memories from my residential campus life. NMIMS does not compromise with quality and Shirpur campus has been no exception. The curriculum was very well structured, planned and executed. The campus life in NMIMS had transitioned us from being naive to being mature. We were in a home away from home with an amicable and supportive staff.
