

One Week

PHARMACY SUMMER SCHOOL 2024

on

Hands-on Training for Advanced Formulations Design, Development & Characterization

Organized by

Center of Excellence in Nanotechnology Research

and

Department of Pharmaceutics

2nd to 6th July 2024

Theme

**Critical Concepts & Hands-on-Training:
Preparation, Characterization & Evaluation of**

- Nanofibers
- Nanosuspensions
- Liposomes
- Nanoparticles
- QbD approach

Objectives

One week intensive summer school is aimed at meeting the objectives of

- Making the attendees able to dive deep into the concepts of nanotechnology
- Getting trained on handling the advanced apparatus to develop products by their own
- Evaluating the characteristic properties of their prepared products

Eligibility

Any passionate learner is eligible to participate, preferably

- Industry Personnel
- Faculty
- Post-Doctoral Fellows
- Ph.D. Research Scholars
- M.Pharm. Students

Registration

Online Registration Process

- Registration Fee: Rs. 1,500/-
- Working lunch included on all the days
- Fill the below registration form
- <https://tinyurl.com/bdcmsxuc>
- Limited to 30 seats. (First come, first serve basis)
- Last Date to Register: 20th June 2024

Venue: SPPSPTM, SVKM's NMIMS Deemed to be University, V.L. Mehta Road, Vile Parle (W), Mumbai 400056.

For any queries, please contact: Course Coordinator: Dr. S. N. Koteswara Rao G.
