2. Honisha Shah, Student President
3. Mitasha Verma, Student Vice-President
4. Aditya Yadav, Student Vice-President

Number of student participants: 2

Number of faculty participants: 2

Report On the Session with Key Outcomes:

The IIC at SVKM's NMIMS, Mumbai was represented by the IIC President, Dr. Jagannath Shoo, Dean SPPSPTM, Dr. Namita Hegde, IIC Convenor for SPPSPTM and the Student Presidents of the IIC at SPPSPTM at IIC 6.0 Regional Meet hosted by Pillai HOC College of Engineering and Technology, Rasayani.

The meet commenced with a networking tea which served as an excellent opportunity for all attendees to interact with each other, exchange their learnings while visiting the stalls of startup exhibitors of the YUKTI Innovation Challenge. It was inspiring for our team to realise how innovators had been awarded patents on providing solution to daily-life problems such as travelling in overcrowded public transport vehicles.

Furthermore, the addresses by Mr. Dipan Sahu, Assistant Innovation Director, MoE's Innovation Cell & AICTE about the inception of the MIC and the development of the same reflected by the large number of Regional Meets being held across the country around the time. Chief Guest for the meeting, Dr. (Prof.) Anil Sahasrabudhe walked the talk as he explained how the accreditation

systems of educational institutions have seen the emergence of innovative approaches in the recent past. The sessions held thereafter addressed the concerns of the leaders of the IICs at various HEIs in attendance while motivating them to assess the impact of their operations and strategizing to elevate the same.

The day concluded with recognising the best innovations and presentations of IIC activities in the form of a poster. SVKM's NMIMS, Mumbai received the award for presenting the 2nd Best Poster among all HEIs in attendance.

Glimpses from the Session
