

National Conference on Nanotechnology in Drug Delivery Research: Challenges, Opportunities & Innovations (NCNDDR)-2015

October 16-17, 2015

Programme Schedule

Time	October 16, 2015
0830-0945 hrs	Breakfast & Registration
0945-1045 hrs	Opening Ceremony Inaugural Address by Dr. R. S. Gaud, Director, SVKM'S Pharma Institutions Conference Theme Address by Dr. Bala Prabhakar, I/C Dean, SPPSPTM & Convener, NCNDDR-2015 Presidential Address by Dr. Rajan Saxena, Vice Chancellor, SVKM'S NMIMS, Mumbai Address by Chief Guest Dr. Ahmed Kamal, Director, IICT, Hyderabad & Project Director, NIPER, Hyderabad
	Session I
	Chairpersons: Prof. Vandana Patravale and Prof. Supriya Shidhaye
1045-1145 hrs	Keynote Address: Prof. Rinti Banerjee Madhuri Sinha Chair Professor, Nanomedicine, Department of Biosciences & Bioengineering, IIT, Mumbai 'Nanoparticle Platforms for Drug Delivery: Present Status & Future Potential'
1145-1200 hrs	Tea Break
1210-1300 hrs	Scientific Lecture 1 Dr. P. A. Hassan Head, Thermal and Interfacial Chemistry Section, BARC, Mumbai 'Self-Assembly Route to Create Surface Functionalized Materials'
1300-1400 hrs	Lunch Break
	Session II
	Chairpersons: Prof. Amrita Bajaj and Dr. Sanjay Boldhane
1400-1450 hrs	Scientific Lecture 2 Prof. Jayant J. Khandare Professor, Maharashtra Institute of Pharmacy, Pune 'Challenges in Designing Innovative Nano/Micro-components for Biological Implications'
1450-1540 hrs	Scientific Lecture 3 Dr. Jayeeta Bhaumik Scientist, NIPER, Mohali 'A Bioinspired Pathway Towards the Development of Porphyrin-Based Nanophotosensitizers for Photodynamic Therapy'
1540-1615 hrs	Poster Set-up and College Visit
1615-1800 hrs	Scientific Poster Session - I & High tea
	October 17, 2015
0830-0910 hrs	Breakfast
	Session III
	Chairpersons: Dr. P. G. Shrotriya and Dr. Subhashis Chakraborty
0910-1000 hrs	Oral Presentations (O-01 to O-05)
1000-1050 hrs	Scientific Lecture 4 Prof. P. R. Vavia Professor, Pharmaceuticals Division, ICT, Mumbai 'Nanotechnology in Drug Delivery Research: Case Studies'

1050-1110 hrs	Tea Break
1110-1200 hrs	Scientific Lecture 5 Prof. A. N. Mishra Dean, M. S. University, Vadodara 'Role of Powder Behaviour in Dry Powder Inhalation Therapy'
1200-1250 hrs	Scientific Lecture 6 Prof. (Dr.) V. R. Sinha Professor, Panjab University, Chandigarh 'Nano-Scale Emulsion: A Novel Approach Towards Ocular Drug Delivery of Antifungal Drug'
1250-1400 hrs	Lunch Break
	Session IV
	Chairpersons: Dr. Hemant Borgaonkar and Dr. Mala Menon
1400-1450 hrs	Scientific Lecture 7 Dr. Asif Khan Shanavas Scientist, Institute of Nanoscience & Technology, Mohali 'Polymer based Nanostructures for Cancer Theranostics'
1450-1530 hrs	Oral Presentations (O- 06 to O-10)
1530-1700 hrs	Scientific Poster Session-II
1700-1730 hrs	Valedictory Function
1730-1800 hrs	High Tea
